## Method of Entry

## Day of Week

## Time of Day

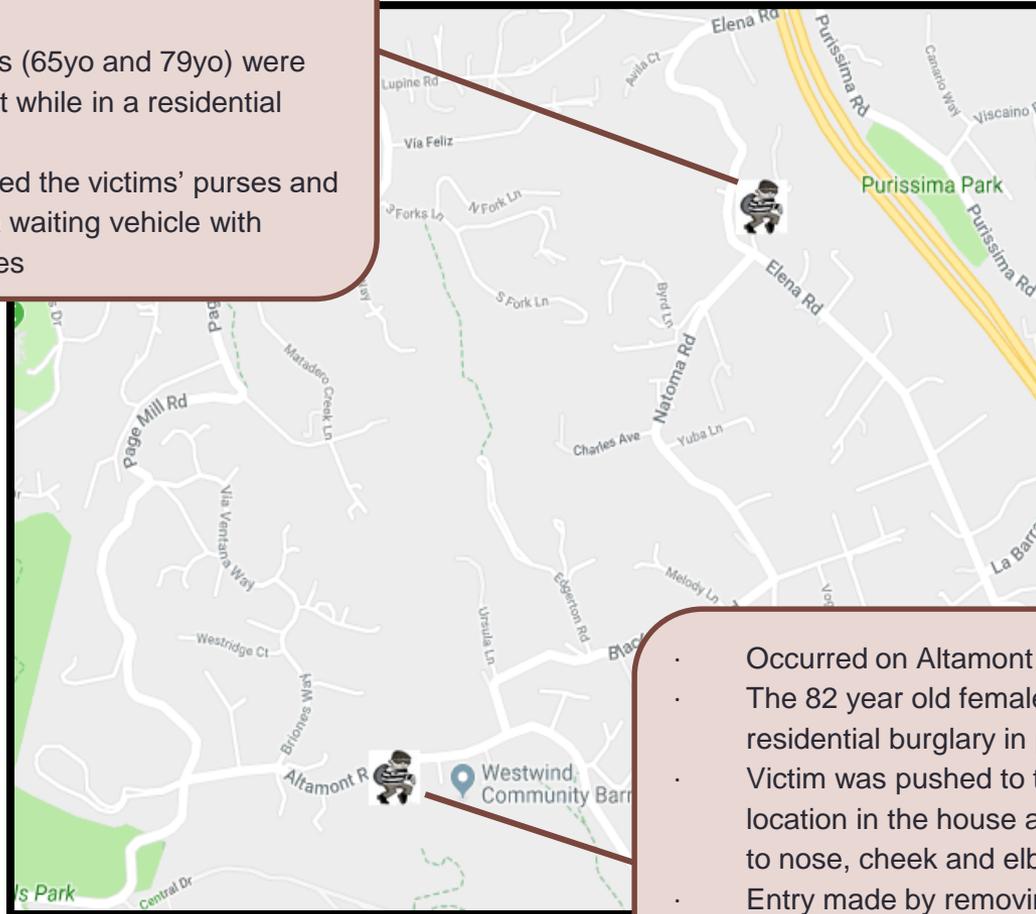

Not reflected in above charts:

In one case, the suspect(s) entered into garage through an open garage door, and stole vehicle, which was left unlocked with keys inside

In a couple of cases, access was gained by removing a window screen to unsecured window – residents may believe a window is secure simply because it has a window screen

# Robbery

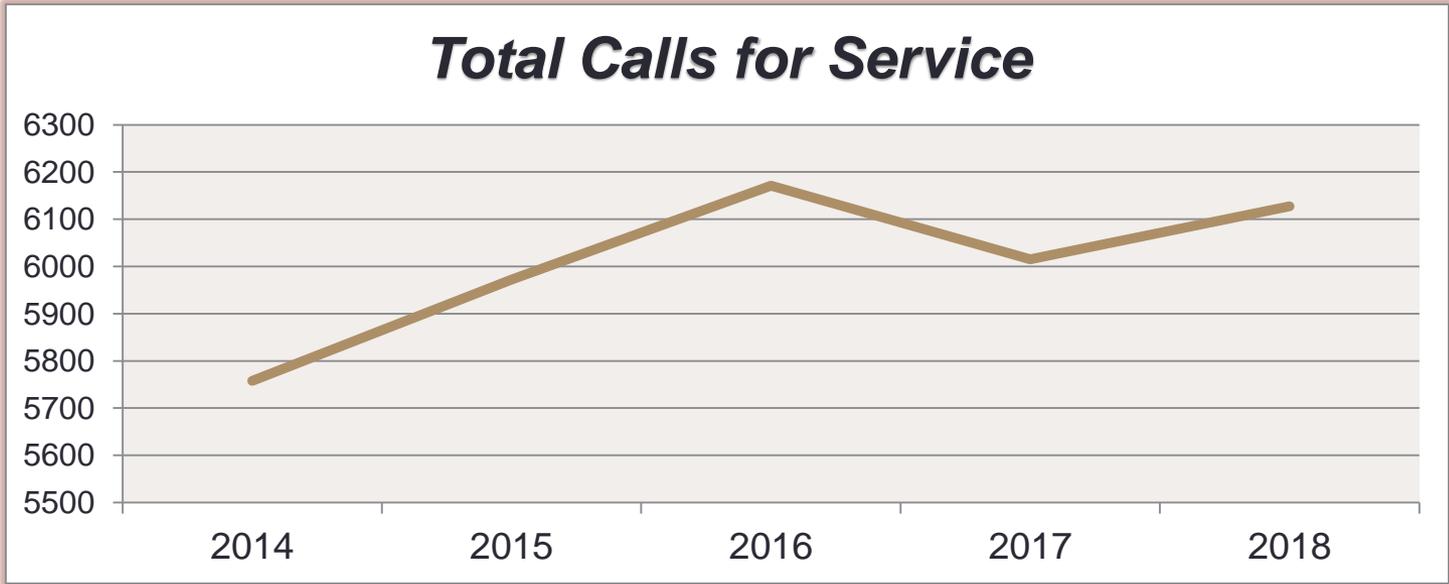

- Occurred on Wright Way at 4:02 PM on a Saturday
- Two female victims (65yo and 79yo) were robbed at gunpoint while in a residential driveway
- Suspects demanded the victims' purses and fled the scene in a waiting vehicle with paper license plates

- Occurred on Altamont Road at 10 AM on a Thursday
- The 82 year old female victim resident interrupted a residential burglary in progress
- Victim was pushed to the ground, moved to a different location in the house and tied up, sustaining lacerations to nose, cheek and elbow
- Entry made by removing screen from unsecured window
- The suspects took a safe containing jewelry
